President's Report - January 2024 Nolan Ahn, PAK President

WHY MANAGED COURTS?

Happy New Year, everyone! We will soon reveal our 2024 Calendar of Events, which will be decided at PAK's January board meeting. We promise to make the year's events full of fun, pickleball, learning and competition! We have continued to forgo collecting renewal dues from members until we identify our first court site on the island. We have had so many "nos" to our requests we MUST be getting close to a "yes". Somewhere out there is a place for us to build our courts.

Everything we do at PAK has to get us closer to our mission. So here it is again.

Mission: PAK will develop, operate, and maintain quality dedicated pickleball venues with the spirit of Aloha. Our second "will" is to operate our dedicated courts once they are built. Here are our reasons for committing to do this:

- 1. By all indications, once we find our suitable site, it will cost hundreds of thousands of dollars to build. Even if we build in stages, the first phase of eight fenced courts without lights will cost a lot of money. Money can only come from:
 - 1. Earning it. It is unlikely that \$20 memberships, tshirt sales, and tournaments will even get us close.
 - 2. Someone giving it. We hope that our pickleball community, our government, trusts and foundations, and sympathetic donors will support us.
 - 3. Borrowing it. This is a stretch, as we have to convince the lender that the revenue we must earn from our operations will be able to support the loan.

- 4. A common theme at paid venues is to see a desire for players to play with others of the same skill level or just a little bit better. A person with authority can make sure that players get a fun session.
- 5. Many beginners are too shy to just walk on a court and play. Court staff can see that they get the necessary instruction into the game to get them started.
- 6. Leagues and ladders must be coordinated, and staff can do it proficiently.
- 7. Instruction will be available at all levels.
- 8. A pro shop will be onsite for all picklers' needs.

If this sounds like a business, it's because it is. A business that will generate profits to be reinvested into more facilities until the needs of all communities for pickleball is fulfilled.

PAK has recently adopted its 2024 calendar of events. The board has committed money for a member appreciation and clinic day, Super Senior Tournament, Professional led clinics, and the resumption of our PAK Open, subject to a suitable venue being available. Like all of our news, events will be announced on our website.
